

Inside Activities

Coloured Macaroni

Sprinkle several drops of food coloring into a bowl of dry macaroni. Mix well, and spread on cookie sheet to dry. Glue different colors onto heavy paper to make a picture.

Kitchen Sandbox

Partly fill a large plastic tub with cornmeal, rice, or colored macaroni, as described above. Then, use cups, spoons, colanders, sieves, etc. to dig, scoop, and measure "sand".

Carpet Tunnel

Roll up a scrap piece of carpet or foam mattress to make a tunnel to crawl through. Tie to secure.

RADICAL RAMPS

Build ramps or tunnels for your toy cars to run down by balancing skinny boards or tubes on chairs or stairs.

BAGEL BIRDFEEDER

Sandwich bagel between plastic lids. Thread string through hole in lids and tie a big fat knot on bottom. Hang on tree for birds to enjoy.
